A decorative graphic consisting of two vertical purple lines and two horizontal purple lines. The top horizontal line is positioned above the main title, and the bottom horizontal line is positioned below the date. Each vertical line has a small purple circle at its intersection with a horizontal line, creating a corner-like effect.

# Hardware River and North Fork Hardware River Bacteria TMDLs - REVISED

Final Public Meeting

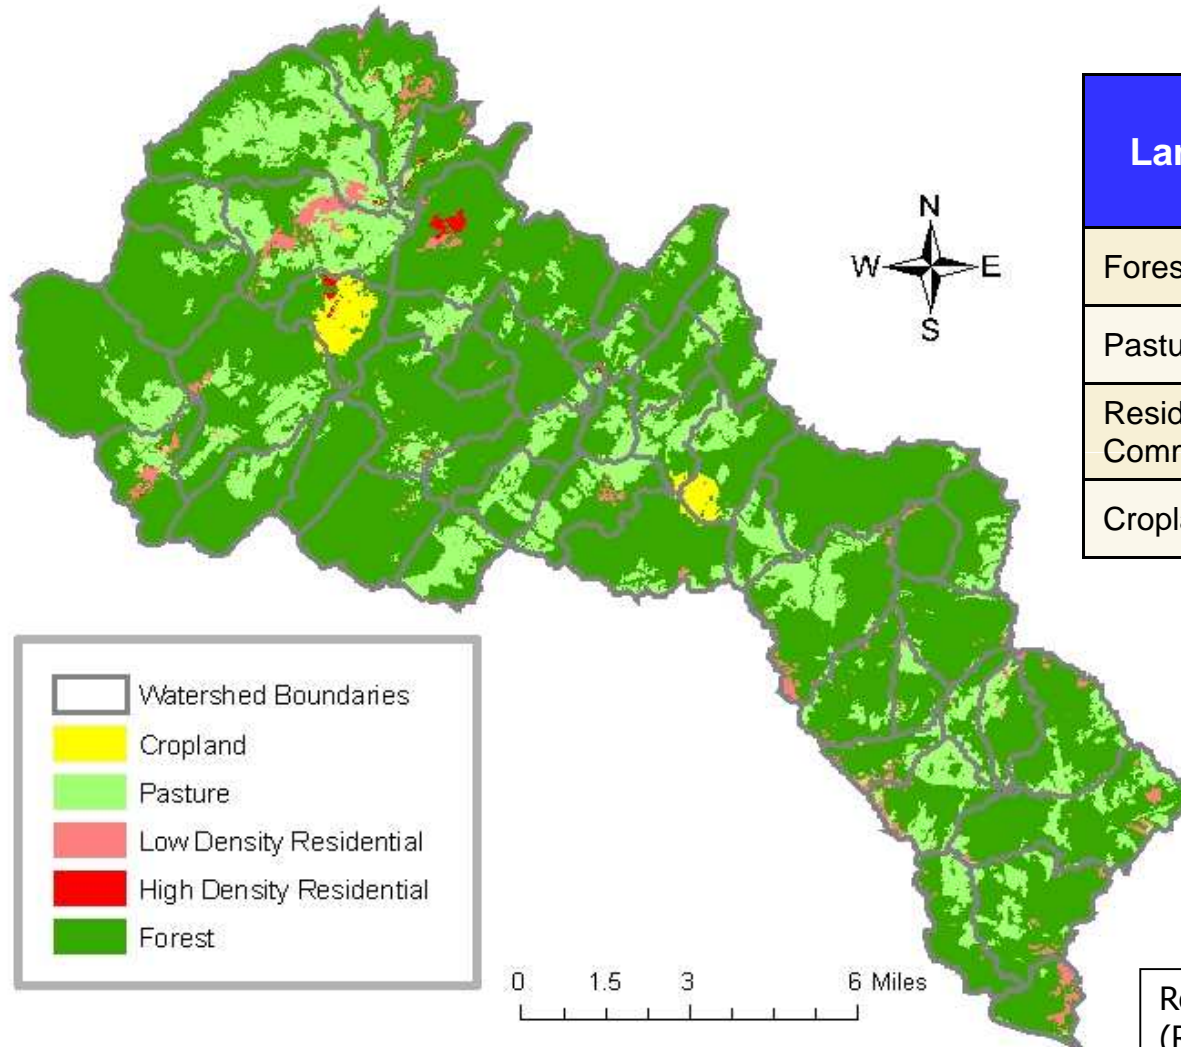

September 2, 2015

# Hardware River watershed

# Land Use in the Hardware River watershed

3

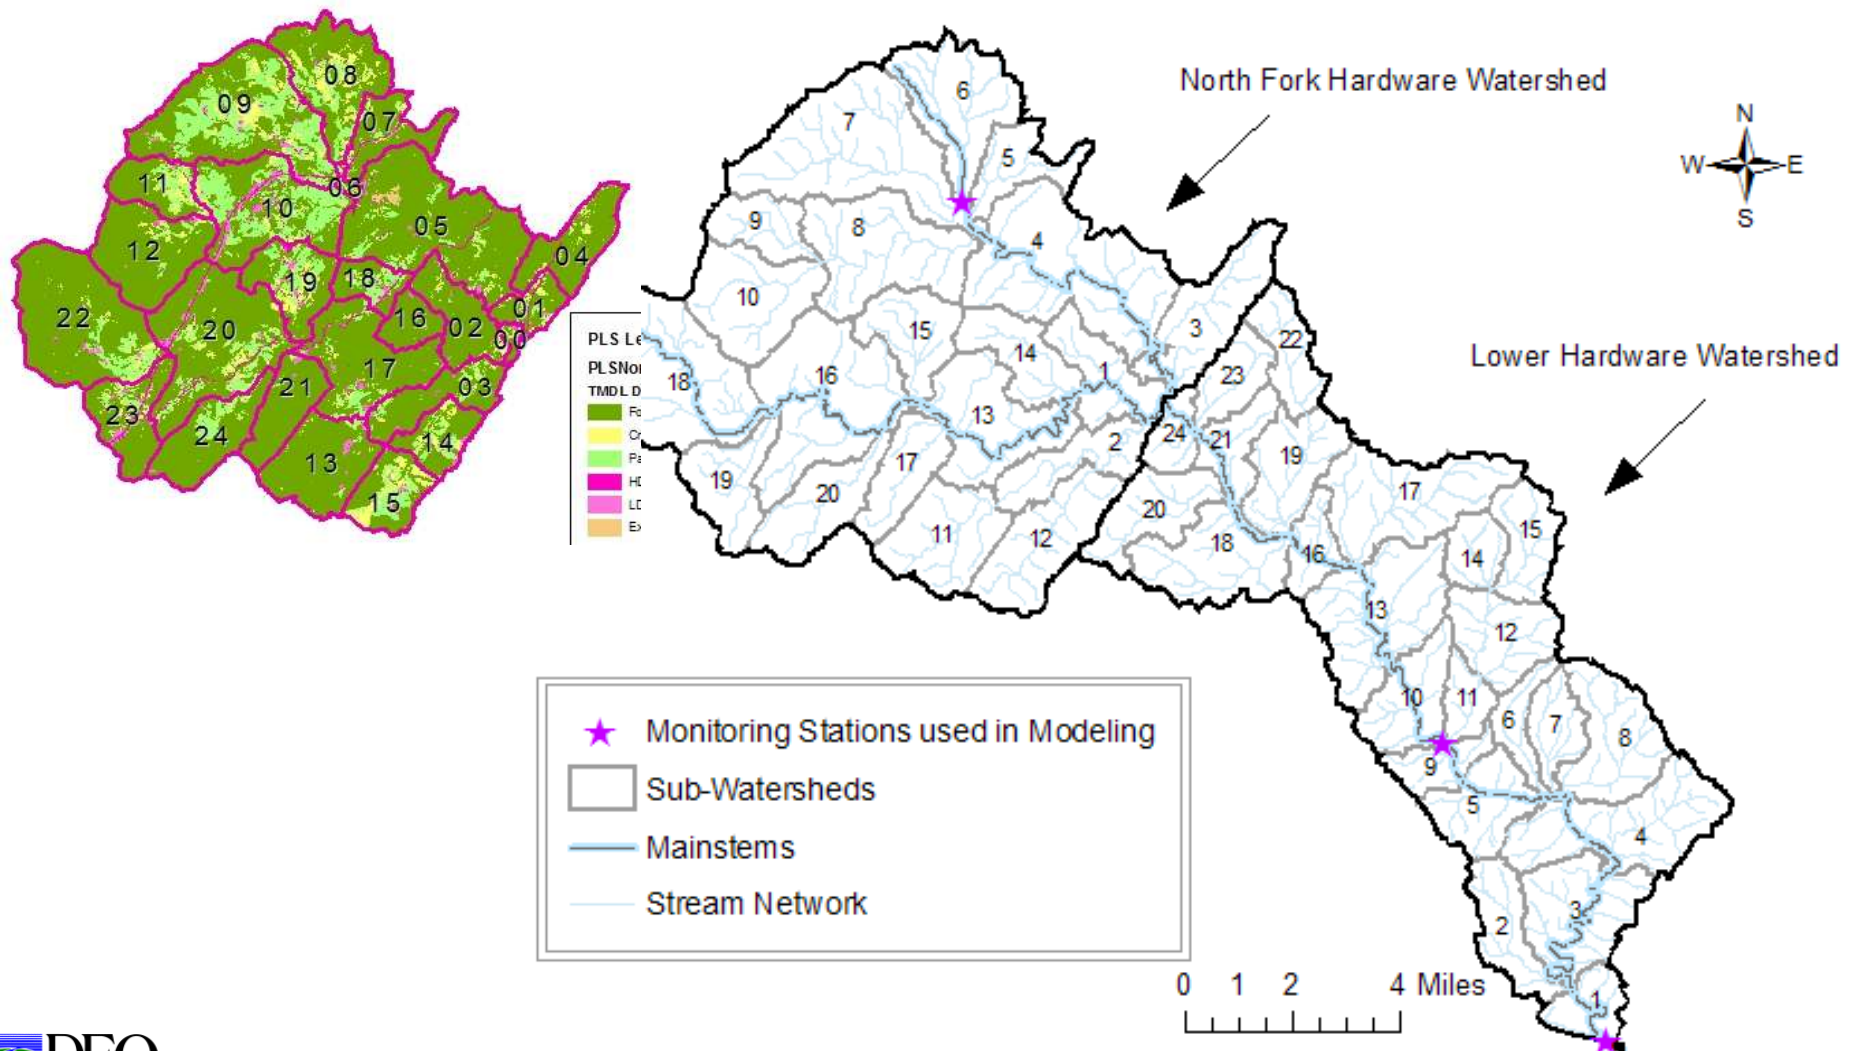

Land Use	North Fork Hardware	Hardware
Forest	69%	77%
Pasture	26%	19%
Residential and Commercial	4%	3%
Cropland	<1%	1%

Regional Earth Science Application Center (RESAC) land use - 2000
